"POLY PAD" product...
Available now for purchase!

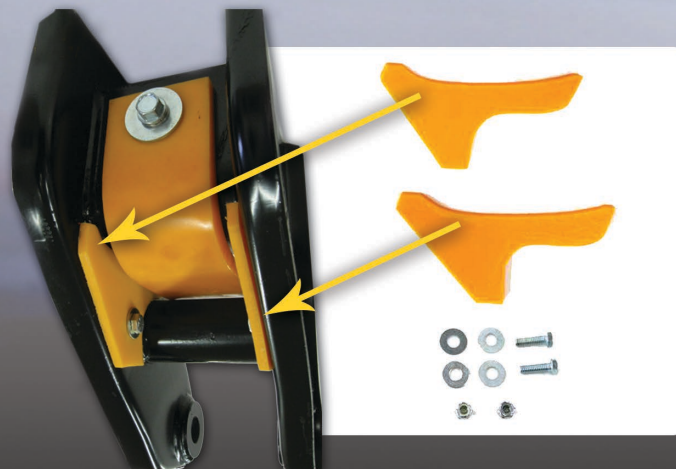

SPRING HANGER SIDE PLATES

Hanger Side Plates paired with
EWP Warepads will provide
**TOTAL HANGER SPRING
PATH PROTECTION**

Multiple kits will be available to fit:
Reyco® Hutch®

Spring Hanger Side Plates will provide additional ways to *extend the life of the trailer's life cycle*. When they are paired with the EWP Hanger Warepads, they will provide **Total Hanger Spring Path Protection**.

With limited or no options in the past to protect the hanger from side wear EWP provides an innovative way to protect this labor intensive component. The patented "Poly Pad" Side Plates offer a lightweight solution that protects your investment while reducing maintenance costs and increasing up-time.
